### DOL Launches Online COVID-19 FFCRA Paid Leave Tool for Workers

Date: June 30, 2020

The Department of Labor (DOL) launched a [new online tool](#) on June 26th to help workers determine if they qualify for COVID-19 Paid Sick or Paid Family leave required by the Families First Coronavirus Response Act (FFCRA). The tool guides workers through a series of questions to help them determine if the paid leave provisions apply to their employer and it helps them to learn whether they personally qualify for either paid sick leave or extended family and medical leave under the new COVID-19 legislation. An employer tool should be released soon.
